Manager's Viewpoint

Two successive draws might look points lost in our promotion chances. Whilst we had enough possession and control of both games we should have got four points from two games. It was nice to see us play more attractive football which resulted in us getting more chances than of late.

With the question of injuries. We still have Dave McVay with an ankle injury but he should be back for selection next week. Stephen Collins is taking longer than we thought but he too should be fit for next week. Apart from that we have a clean bill of health all around.

I should like to congratulate Robbie Cooke and Billy Kellock who have been voted in the Fourth Division Professional Footballers Association team this year. Also to Michael Gynn for his 'Match Weekly' award for being the Fourth Division player of February.

Welcome to Larry Lloyd of Wigan Athletic who has just stepped into management and wish him all the best for today.

Great thanks to the anonymous Donor for his generosity in sponsoring tonight's match and passing all the favours and publicity over to the very worthwhile charitable Organisation of *The Multiple Sclerosis Society*.

I would consider it a privilege to help in anyway possible—Best wishes to all sufferers and helpers alike.

OUR VISITORS

JOHN BROWN, Goalkeeper. Ht: 5' 11 1/2". Wt: 12st 7lbs.

Bradford-born John was an apprentice joiner before he stepped into League Football with Preston at 17. His progress at Deepdale was hindered by the reliable Eric International, Alan Kelly, and after spending 11 1/2 years with North End, he was released in 1975. He then had one season with Stockport County before joining Wigan Athletic, for whom he has been a most reliable and efficient keeper at both non-league and Football League levels. Wigan's Player of the Year in 1979-1980.

BOB WARD, GOALKEEPER. Ht: 6' 1". Wt: 12st.

As a boy, Bob supported his local side West Bromwich Albion, and he has had the double experience of playing at 'The Hawthorns' both for and against Albion! After leaving school, he played as an amateur for West Brom., eventually turning professional at 18 and making 15 first-team appearances. He later joined Blackpool for a £20,000 fee and made his debut for the Seaside in an F.A. Cup tie at West Bromwich. He made 41 League appearances for Blackpool before joining Wigan last summer.

DAVE FRETWELL, Defender. Ht: 5' 9". Wt: 10st. 12lbs.

Played as a schoolboy for Yorkshire and England at under-18 level, before studying industrial management at Bradford University. As a part-time, he played regularly for Bradford City in the Third and Fourth Divisions of the Football League, and comfortably made the transition from part-time to full-time. He made 250 appearances for the Yorkshire club before sampling the American soccer scene in California.

JOHN CURTIS, Defender. Ht: 5' 8". Wt: 10st. 3lbs.

Another ex-Seaside, who has found a new lease of life at Springfield Park. After a bright opening to his career at Bloomfield Road, the Poulton-le-Fylde-born defender moved on to Blackburn Rovers, a club at which he never really justified his true potential. After a short period on loan to Wigan Athletic at the end of the 1978-79 season, John finally signed up for Wigan on a full contract, only to be cruelly halted in his tracks by a leg fracture which left him on the sidelines for all but a handful of last season's games.

GEORGE URQUHART, Midfield. Ht: 5' 11". Wt: 12st.

Joined his former boss Ian McNeill from Ross County for a nominal fee last year. Born in Glasgow, he won Scottish amateur international honours against England and Ireland before signing for St. Mirren in 1968. After three seasons there, he had one year with Guildford in the Southern League before joining Mr. McNeill in a very successful Ross County side.

JEFF WRIGHT, Midfield. Ht: 5' 11". Wt: 11st. 10lbs.

Born in Alston in Cumbria, Jeff worked at the local foundry after leaving Grammar School. Played for both Tow Law in the Northern League and Netherfield in the Northern Premier League before joining Wigan in 1974. He has shared in many of Wigan's F.A. Cup triumphs at non-league and Football League levels—victories over Shrewsbury Town, York City and Sheffield Wednesday while a non-league player and Blackpool and Chelsea as a Football League player—will long remain as highspots in his memory.

FRANK CORRIGAN, Midfield. Ht: 5' 10". Wt: 11st. 12lbs.

Although he will miss the early games of the new season, because of injury, this enthusiastic Liverpool-born player will soon be back again as an established member of the Wigan Athletic side. As a part-time professional, Frank played for Walsall, Burton Albion, Bangor City and Northwich Victoria before joining Wigan. Both with Northwich & Wigan, Corrigan has experienced all the joy of a Cup giant-killer, and after making the move into full-time Football League soccer, when Wigan stepped up in status, this skilful and experienced player has gone from strength to strength.

COLLIN METHVEN, Defender. Ht: 6' 1". Wt: 12st. 4lbs.

Manager Ian McNeill's deep knowledge of Scottish football enabled him to search out this strong and positive player who became Wigan's record signing at a fee of £30,000 from East Fife in October, 1978. It was soon obvious that the money had been well spent, for Colin, good in the air and strong in the tackle, soon took over as Captain of the Wigan side and led his men to glory in last year's F.A. Cup competition.

NEIL DAVIDS, Defender. Ht: 6' 0". Wt: 12st. 8lbs.

Originating from Shipley, near Bradford, Neil played for Yorkshire Schools at right-back before joining Leeds United. The highlight of his five years at Elland Road was scoring the winning goal for England's Youth Team against Wales, but he did not make his league debut until he joined Norwich City. After two years at Carrow Road, he joined Swansea City. However, this strong, aggressive defender never settled in Wales and joined Wigan before the start of their first year in League Football.

PETER HOUGHTON, Forward. Ht: 5' 11". Wt: 12st. 7lbs.

Another member of Wigan's Merseyside contingent, Peter was in the Liverpool Schools' team which won the English Schools' Trophy. He joined the Ford Motor Company as a Maintenance Fitter and stayed with them until becoming a full-time professional in July, 1978. As a part-time professional, he joined Wigan from South Liverpool, having previously played with Prescot Town. Although handicapped by a wrist injury, he was Wigan's top scorer in their first year in League Football, and repeated the feat last year.

TONY QUINN, Forward. Ht: 5' 10". Wt: 11st.

With Everton as a junior for three seasons before joining Formby, young Tony moved 'across the park' to Liverpool and played in their 'A' team which won the Lancashire League and also helped the Liverpool County F.A. to win the English F.A. County Youth Cup. From Liverpool, he joined Wigan and quickly proved an outstanding marksman. Topped the Lancashire League scoring list in 1978/1979, and scored in his first five full games for Wigan's Football League side!

MIKE QUINN, Forward. Ht: 5' 10". Wt: 12st. 3lbs.

This Liverpool-born player, no relative of Tony, enjoyed a 'Roy of the Rovers' rise to fame last season in the Wigan colours. Having seen service with Tranmere Rovers and Darby County in his post-school years, Mike was a key member in last year's Athletic Youth XI.

DAVID McMULLAN, Midfield. Ht: 5' 5". Wt: 10st. 3lbs.

Signed last year from Cumberland United, a Scottish junior club, young David was restricted to several substitute appearances in the closing games. In his first appearance this year, against East Fife, this skilful young player scored a fine last-minute winning goal.

The Newcomers

BOBBY HUTCHINSON, Forward. Ht: 5' 9". Wt: 11st. 4lbs.
Glasgow born, Bobby, a quick moving striker, is expected to give the Wigan Athletic side added skill & experience up front.

LAWRENCE TIERNEY, Midfield. Ht: 5' 11". Wt: 11st. 7lbs.
Born in Edinburgh and a former player with both Heart of Midlothian and Hibernian, A very fit professional who is not only a goal-winner, but also an extremely skilful and constructive player.

JIM OLIVER, Forward. Ht: 6' 0". Wt: 13st.
Born at Fearn in the County of Ross. Formerly with Dundee United, he joined Wigan Athletic from Scottish League Club, Montrose, during the close season.

POSH v. WIGAN ATHLETIC

by Mick Robinson

Tonight is only the 5th meeting between the two teams. Wigan are the Football League's newest team, only entering the League in 1978.

The first meeting took place on 12th December, 1970 at Wigan in the second round of the F.A. Cup; in the week that led to the tie John Wile was sold to West Bromwich Albion. Posh lost to an 88th minute penalty after the ball had struck Wright's hand, but it was Wigan who had done most of the attacking. Wigan had taken an early lead and it stayed that way until half-time. Moss who was on for the injured Iley, equalized after an hour, and it took the penalty to see Wigan through.

Posh team that day: Drewery, Noble, Dunccliffe, Iley, Turner, Wright, Pleat, Garwood, Hall, Turpie, Robson. Sub: Moss for Iley.

The teams did not meet again until last season when Wigan did the double over Posh. At London Road Wigan scored after only 90 minutes, Quow equalised straight after half-time but another penalty gave Wigan both points. At Wigan Posh's run of 11 games undefeated came to an end when yet another penalty decided the game. Earlier this season Posh travelled to Wigan and came home with a point in a 1-1 draw. Gallagher scored his first goal for the Club.

Posh team that day: Waugh, Winters, Phillips, Hodgson, Slough, Foster, Quow, Kellock, Cooke, Syrett, Gallagher. Sub: Guy for Gallagher.

LETTER FROM AUSTRALIA

Dear Sir,

Being almost 12,000 miles away from one's favourite club, I find it very difficult at times to be the supporter I would like to be.

Never being able to attend a single match, only listening to radio briefs of match results and then perhaps the odd 'write-up' in our Monday morning newspapers. What chance have we Aussie supporters got to give our favourite clubs our support . . . I'm just so frustrated!—not at your club itself, but over the distance between me and my first love. Not being able to see any of your great players in action. No souvenirs, no programmes, no nothing!

I would appreciate a small favour—a team badge?—or even a programme if it's not too much trouble? This would compensate a little for that 'frustration' we Australian fans suffer.

My thanks go to everyone connected with the Peterborough club for making it my first choice in the Football League.

Thanking you so much for your time,

Yours Sincerely,

Mr. Jeff Overall,

MATCHMAN OF THE MONTH

The football magazine 'Match Weekly' present an award each month to the player that is considered to have had the best overall performance in each Division of the Football League. 'Match Weekly' which is published by the East Midlands Allied Press Group had great pleasure in telling us that Michael Gynn had received the top votes in the Fourth Division, for player of the month. This was especially pleasing to them as he is a local lad to Peterborough.

Each week local journalists, nationwide, have a rating system for each match played out of a total of ten points, and Michael received four 'B's on the trot which really is quite exceptional. The judges are different every time there is a vote which makes the achievement even more remarkable. Michael was also voted the Posh man of the match on each occasion.

He will receive his trophy plus a cheque for £100 before tonight's match. The trophy is an especially engraved plaque, one for the trophy cupboard Michael!

Michael joined Peterborough United as an apprentice on 8th July, 1977 and signed full professional forms in April, 1979. This season he has played 21 full first team matches (League and Cup) wearing the Number 4 shirt and has scored four goals.

We are sure that everyone at London Road congratulates Michael on this award.

JUNIOR POSH

The Junior Posh page returns tonight after a break. No doubt you all managed to get to the Manchester City match when we played them at home in the 5th Round of the F.A. Cup. The draw for the Semi-Final of the Football Association Cup was made this week and is as follows:—

Manchester City
v.
Ipswich

Wolverhampton Wanderers
v.
Tottenham

The replays should be played this week and the venues for the semi-finals has not yet been decided. The matches are usually played within equal travelling distance for both sets of supporters and, therefore, until all the replays are completed it is impossible to decide on the venue.

In the past F.A. Cup semi-finals have been played either at Hillsborough (Sheffield Wednesday's ground) or Villa Park (Aston Villa's ground). The reason the semi-finals are played on a neutral ground is to give both teams a fair chance.

JUNIOR POSH MASCOT

Our Junior Posh mascot today is Stewart Walker who attends Fulbridge Junior School and is 9 years old. Stewart comes to all matches with his father where they have season tickets in the stand. His favourite Posh players are Robbie Cooke and Tommy Robson. His dad, Alfred Walker is a very keen Posh fan and travels to the away matches when he can. Stewart plays football at school and his other hobbies include drawing and modelling. Stewart has a six year old sister called Helen and lives at 118 Northfield Road, Peterborough. Congratulations to Stewart for being our mascot.

THE MULTIPLE SCLEROSIS SOCIETY of Great Britain and Northern Ireland

Registered as a Charity in accordance with the National Assistance Act, 1948

PETERBOROUGH AND DISTRICT BRANCH

Dear Friends,

May I first thank the anonymous donor who by his generosity has given us the opportunity to bring our aims to your notice as Sponsors of this Posh v. Wigan game; whilst not wishing to lessen in any way your pleasure on what we hope is a joyous occasion for "Posh Fans" we feel we can best present ourselves with the following facts:—

Amongst disabled people, perhaps the saddest are the sufferers from Multiple Sclerosis—a gradually paralysing disease of the central nervous system which is sometimes called creeping paralysis.

There are 50,000 sufferers in the United Kingdom—one in 1200 of the population. They account for one-third of the entire young chronic sick in this country. The disease attacks people mainly in the age group of 18 to 35 with the resulting disabilities varying from mild impairments of speech, vision and movement to complete paralysis.

At Branch level our activities are directed in two ways, firstly to make the lives of local multiple sclerosis victims more tolerable by providing holidays, outings etc, grants to those in need and nursing/mobility aids as our members deteriorate, in fact in any way that will give them pleasure, comfort or simply peace of mind, secondly although equally as important we annually send what we can afford to our Headquarters for research into the cause and a cure for this most crippling and distressing disease.

We are at present raising some £30,000 for a specially converted coach, any donation towards this project will be most appreciated and can be sent to me at the address below.

May I take this opportunity to publicly thank the Posh Supporters Club and Members for their support past and present, also the Football Club-Directors and Staff who have been most helpful in making this a night for us all to remember—Good Luck Posh—Keep on Trying—from all in the MSS—Thank you all.

Finally, and by far the most important, should you know anyone who suffers from Multiple Sclerosis and needs our help, or anyone who would like to help us to help them, please get in touch with me.

ERIC DEWDNEY, Hon. Branch Secretary,
36, Heather Avenue, Peterborough. PE1 3XJ.
